9th grade Course Recommendations for future Weber High IB Students

English 9 Honors (We highly recommend that all students enroll in English 9 Honors. Although English 9 Honors is not required, students will need to have strong reading and writing skills to complete the IB program.)

Geography (AP Geography recommended)

Spanish or German (students don't have to take Spanish or German but having Spanish freshman and sophomore year is recommended)

Science (students should take Physics or Biology if offered)

Secondary Math 1 or 2 Honors

Digital Studies

PE (full year)

10th grade Course Recommendations for Weber High IB Students

English 10 Honors (We highly recommend that all students enroll in English 9 Honors. Although English 9 Honors is not required, students will need to have strong reading and writing skills to complete the IB program.)

Financial Lit/Government (AP Government is encouraged)

Spanish or German (a minimum of Spanish 1 or German 1 is required for the program)

Science (students can take Physics, Chemistry, or Biology. If a student were to choose AP Bio in 10th grade then they should plan on IB Chemistry HL)

Secondary Math 2 or 3 Honors

Fit for Life/Health

Art (students wishing to study IB Art HL should take Art or Photo while students wishing to take IB Theatre SL should take Theatre 1/2)

CTE Elective

*We highly recommend the above courses so that students have room in their schedules to complete all graduation requirements in addition to the IB Diploma Requirements. Not taking these courses in 9th and 10th grade will mean that students may have to give up an elective in high school or take a course online.
