Kudos

Congrats to Micaela Duran and Stephannie Vaughn for placing 7th in the Nation at the FBLA Nationals this past summer in Atlanta!

One of our seniors, Sarah Calvert, has self-published a book and she is donating the proceeds from the book to children's charities. The book is titled, "The Rose Garden". The book is aimed at children 5 years old and up through the teenage years. It is a fantasy genre with the theme centered on being kind. The book can be purchased online for \$15 plus shipping at <http://loveunconditionalproject.blogspot.com/> or you can get copies directly from Sarah for \$10 a copy, which can be picked up at Weber High. To order from Sara, email her at loveunconditionalproject@gmail.com. Sarah suffers from cerebral palsy and wanted to do something to help those who help kids like her. What a great Warrior!

Weber High School is a candidate school for the Diploma Programme. This school is pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Weber High School believes is important for our students.

PSAT is October 19. Juniors only. The first 100 to sign up will get it for free. This test will prepare you for your college entrance testing and may help to qualify you for some scholarships.

From the Counseling Dept.

HOPE WEEK is Oct 3 - 7 to raise awareness for suicide prevention. Every night will have great community events and resources available. Please plan to attend as many events as possible to help our community celebrate Hope and Life! Students are encouraged to wear purple in support of suicide prevention during this week. **Look for Hope Week posters and on Weber High's website for more information.**

ACT Testing

The next ACT test date with open registration will be held on December 10th. Registration deadline is November 4th. Register online at www.actstudent.org. Cost is \$42.50 and paid online.

Morgan Stanley Financial Aid Seminar

October 12th @ 6:30 PM in the Weber Auditorium

This presentation is a starting point for parents, grandparents, and students who have unanswered questions about the costs and issues associated with planning for college. This is not a sales pitch – it is a service provided to help with strategies on how to lower the cost of attendance for students. Especially for 9th and 10th grade – but all grades welcome.

Seniors

College Day is Oct 14th (8 – 11 AM) This is your opportunity to learn more about different post-high school opportunities. Attendance will be taken during this event.

College Application Week will be held Oct 31 – Nov 4. We will be sending home information regarding this event with seniors.

FAFSA Completion Night is Nov 16th (5 - 7 PM). Help will be provided to get you through the FAFSA application. The FAFSA application opens Oct 1st – start applying at www.fafsa.ed.gov.

Juniors and Sophomores

Appointment information for your Plan for College and Career Readiness meetings with your counselor will be mailed home shortly. We will meet with Sophomores from October through November. We will meet with Juniors November through January. These are important meetings to plan for next school year and beyond.

\$\$\$ Scholarships \$\$\$

Be sure to check your wsdstudent email account to access the WHS Scholarship Bulletin. Apply for every scholarship you qualify for! Every year, several scholarships go un-awarded due to lack of submissions!!! Apply apply apply. Sign up for a fastweb.com account as well to get more scholarship offers.

Parents, Be APP Aware!

You may be thinking your students are downloading apps because they are just a simple way for them to keep in contact with their friends. This is certainly true for most students, but unfortunately, even innocent use of most of these apps can land a kid in a situation he/she never intended to be in. There are several apps that appear harmless but can actually lead to bullying/harassment. The most important thing you can do as a parent to protect your children from dangers that are associated with the use of these apps is to talk with them frequently about their internet activity.

Weber High School Auditorium

Tickets \$10 for adults

\$8 Students and Seniors

Tickets available on-line at:

WEBER.WSD.NET

starting September 27th

It isn't every day that a whimsical nanny soars in on a mysterious breeze and changes your life. That is, unless you live at 17 Cherry Street Lane. Every day is filled with joy, laughter, and love - and every night is spent dancing on the rooftops of London. So believe in the magic of MARY POPPINS and fly away to a place where anything can happen if you let it!

MARY POPPINS - a musical based on the stories of P.L. Travers and the Walt Disney Film
