Overview of 2018 -2019

Principal Chris Earnest presented this report:

Goal 1:

- Discussed demographic Changes,
- Increased Enrollment,
- Increased Fee Waivers and
- Increased need for struggling students in Math & Science

Action Plan:

Provide extra learning opportunities for students who have not traditionally had their needs met.

Reducing class sizes in Math & Science by hiring an additional teacher or pay for extended day contract of current teachers.

Hired another Student advocate. They are working with students helping them with good study habits and good sleeping habits. Students that are off track.

Goal 2:

Weber High wants to provide additional opportunities to students who traditionally do not have their needs met through AP or other accelerated offerings.

Action Plan:

Weber High was authorized as an International Baccalaureate School.

Trained our teachers for IB

This is available to any student within the School District

We will conduct community outreach programs to inform our community and others in the Weber School District.

Budget:

Went over the budget for the upcoming school year 2018-2019.

Concerns & Questions from the council:

Chemistry scores are low

Would like Data from last year and where we are with the students.

Lack of communication between the school and the parents.

Rental of Calculators

How much stress is being put on students?

Plan is squishy.
