Jaclyn Wintle, Parent

Missing--

Mindy Elliott, Parent

Matt Keller, Parent

Ad Hoc Visitor-- Kim Vorwaller

Training

-Rules of Order and Procedure

Chris handed out and went over the rules and procedures for the School Community Council. The council also went over the Simple Motions of Parliamentary Procedure.

-Website Requirements

Meetings for SCC are public meetings and must be announced on the website with an agenda posted at least 1 week before the meeting occurs. Minutes for each meeting are to be posted to the website after each meeting in a draft form. Each member's name and a link to their email will be included on the website. Email addresses will not be posted on the website so members will not be targets of phishing scams. Phone numbers will NOT be included for each individual person.

Chris reviewed the handout of the 2022-2023 Trustlands Plan. We discussed how funds are going to be spent and what has already been purchased such as panel tv's, teacher buyouts, AP Seminar textbooks and sheet music. Each goal, measurement and action steps were discussed and questions by the council answered.

Chris reviewed the TSSA Plan goals and action steps. There are more funds provided than originally anticipated and an addendum will be added at a later date of additional items.

-Appropriate Expenditures

Trustlands funds can be used for certain expenses, and not for others. We discussed what the appropriate expenses are and are not.

Election of Chair, Co-Chair and Secretary

Angie Francom nominated Jaclyn Wintle as Chair, Sara Urry seconded. Jaclyn asked what duties are involved then accepted the nomination. The council gave a unanimous vote.

Sara Urry nominated Krissy Hales as Co-Chair, she accepted and it was seconded by Quincy Mogolich. The vote was unanimous.

Krissy Hales nominated Marlisa Lund as Secretary which was seconded by Sara Urry. The vote was unanimous.

School Goals

We discussed the addition of the Pathways program which is for 10th graders who attend school but struggle academically. There are 14 students in the program, they are gaining confidence in their academic abilities and are successful. At the end of the year, counselors/students/parents will determine if students move into regular classes at Weber or move into the GEDIT program. The GEDIT program is the G.E.D. option for juniors and seniors.

Starting in October, Weber will start offering after school tutoring in both core and non-core classes. There is a need for remediation help after school and it will run from 2:45 pm to 3:45 pm. The schedule of tutoring will be determined soon and both students and parents will be notified of this.

The mental health of students will continue to be addressed by our mental health specialist, counselors and teachers.

The school will continue to focus on inclusion through the multicultural center and various activities.

Weber is inline with the district process of improving teacher collaboration/instruction/remediation through the PLC process and improve student learning.

Digital Citizenship: CIPA

Teachers chose 1 of 6 modules in Nearpod and taught lessons on responsible electronic use, digital footprints, secure sights, etc.

Other:

Chris asked the council what time meetings should be held as there was a recommendation via email to move the start time to 4 pm. Quincey made a motion for a 4 pm start time, Jaclyn seconded it and the vote was unanimous in favor. The suggested dates are good and we will stick with them.

Jaclyn Wintle would like to discuss plans on how we plan on building the AP Capstone program and she would like to see the multicultural center. We will hold our next meeting in the library where the multicultural center is.

Sherri Porter made a motion to adjourn the meeting, Quincey seconded it, all were in favor and the meeting adjourned.

Year's Suggested Outline

9-21-22: Welcome and Training

11-9-22: Progress Report

1-11-23: S.I.P. and prep for '23-24'
